Lions Take Second Game Of Season

Gresham Defeated by Aerial Attack in Second And Third Quarters

Coming to life three-fourths way through the first half, the West Linn football machine snapped a beautiful pass, which carried the ball all the way from their own 28-yard line to the Gresham 18. Three plays later another pass from the Gresham eleven brought the Lions their first touchdown, which spurred them on to defeat the Gresham eleven, 16 to 6.

West Linn made their touchdowns in the second and third quarters. A pass from Wood to Huebner in second brought West Linn's first score. A pass from Wood to Robertson was good for the try for point. Two extra points were gained for West Linn in the third quarter when Foreman tackled Sunderland behind the Gresham goal line. Sunderland had taken a 63-yard punt from Wood. The second Lion touchdown was made by Johnson over right tackle. The pass from Wood to Robertson made the try for point good.

Coach Bartholomew's charges made their lone touchdown in the second quarter when Owens carried the ball over from his 1-yard line after a 20-yard pass from Tarpenning to Callister.

Lions Suffer First Defeat of Season From Forest Grove; 34-0

GIRLS SPORTS

Due to government regulations it will be impossible to secure the customary white gym suits for all the girls in the physical education classes this year.

The only equipment that the girls will be required to have is at least one gym suit of any style or color, and a pair of shoes with rubber soles.

Sports Review - - ----- By Hooff

Having lost the Forest Grove game to a team who were out for blood after the beating they took last year, the West Linn football squad is going to train harder for the rest of the season. We learned a lesson in the last game and had a few tough breaks but all in all it was a swell game to watch.

Today we play Beaverton at Beaverton and from all reports they aren't going to be tough. Next week we play Tigard on their field. The boys are going to be in there fighting for the glory of the Green and Gold so how about some support. Let's everybody turn up at Beaverton and Tigard.

Coaches Brown and Nixon think that after the beating we took from Forest Grove that we have a good chance to beat Beaverton, Tigard, Hillsboro, Newberg, McMinnville and, of course, Tillamook on November 5, or in other words Sadie Hawkins' day. Coach Brown says that he will not let any football player run in the race on that memorial occasion. (Tough luck girls.) Well, now to say adieu until the next issue in which more interesting details on the team will be given.

West Linn suffered their first defeat of the season as Forest Grove overran the Lions with a score of 34-0, thus salving the 20-0 defeat at the Lions' hands last year.

A man by the name of Warner, bearing the numerals 21, figuring as the main guy of the game, carried the ball 22 times.

The story of the first quarter is really the story of the game. In that frame Forest Grove made 113 yards to West Linn's none, and in the quarter carried over two touchdowns and converted both times to make the score 14 to 0.

The third touchdown was made as soon as Forest Grove got the ball in the second quarter. Right-half Kurry, who had set up the ball for the previous touchdown by taking a reverse from Franks and galloping 24 yards, took another one of those reverses but this time lateralled out to Warner who galloped 50 yards for the counter. This time Knight missed.

In the third quarter the Lions held their own fairly well until a pass from McMurren fell into the arms of the alert Kurry, who goose-stepped from his own 8-yard line down across the West Linn goal, a 92-yard run. Knight's kick was good.

The final counter came after a new Forest Grove backfield man, Knapp, narked the ball down to West Linn's 18. He reversed to Kurry on the 18, and Kurry carried down to the 2. Hines went over for the counter. Knight's kick was good, the score 34 to 0. That was the game.

Starting lineup:
West Linn Forest Grove

Fashion Lines by Kay Johnson

Little did Adam ever dream that such a monstrosity should ever rest on his apple as the bow tie. It fairly bulges with disapproval and make the wearer cross-eyed as it wavers in and out. Some ties seem to have spotted fever, some seem to have yellow fever, and some make the people who view it feel like they are coming down with a fever. Harold Myhra has of late kept local stores in a quandry as what to sell him next.

Far be it for the girls to stay in the background when it comes to clothes with a masculine touch. Many have taken to wearing the boys sweat shirt under their v-neck sweater which makes a very nice effect.

Marilyn Miller entered the great portals of West Linn high with a nicely tailored suit themed in teal blue with brown stripes.

Whose Fault Is It?

—that due to laughter and talking on the side, the student speaker in front of the room loses his poise, becomes flustered, forgets his topic, and sits down with a C instead of a possible A.

—that when one is holding onto the bannister when traveling down the stairs, his hand comes in contact with an unwieldy wad of chewed gum freshly applied.

—that because of missing the garbage can when attempting to rid themselves of their garbage by throwing it at the containers, a tomato is overthrown and splatters one's face with a lovely color?

To be perfectly honest about it—It's YOURS.

How about trying to remedy these faults?

"Alaska is better than West Linn," says our Junior class vice-president, Dick Crandall. Can you imagine such a thing? Well, if it's true, it must be worth reading about. A beautifully illustrated book, now available at the library, will give the reader a vivid and exciting picture of this too little known region of America.

"Africa is a beautiful and fascinating country," are the words of a U. S. soldier now stationed somewhere in North Africa. "Here is Africa," a story of this continent of mystery, will help Americans to understand how Africa will adjust itself in the changes that will follow after the war.

"Mexico, Central America, and The East Indies" is an inviting and colorful text accompanied by beautifully drawn picture maps.

Beneath the blue cover of the book "Franz," you will find the story of a dog who was trained in the C. A. Roy Kennels of California.

ALUMNI

Although he is not in the armed forces, 1943 graduate, Ralph Elligsen is helping his country by doing essential agriculture work for which he was deferred from the armed forces.

He is also driving the Wilsonville-West Linn school bus, which is equally important during this time of year.
