O. C. Game Feature Tonight

West Linn and Oregon City will go at it again in their ancient fued Thursday night at 8 on the West Linn maple. The game should be close and the team that fights the hardest will probably take the game. O. C. has the most wins so far this season, but hasn't played as many big teams as the Lions. West Linn has the edge on the back board, but the Pioneers are good on fast breaks, so it should be a thriller. Come out and help your team.

Beaverton Defeats Lions In Fast Moving Game, 25-19

West Linn played host to Beaverton at our first home league game Friday night January 7, which the visitors won 25 to 19.

West Linn opened the game with a quick five points, but was unable to stay ahead of the Beavers, the first quarter ending with a score of 7 to 5.

In the second quarter the Lions were unable to get the ball through the loop and the Beavers led at the half, 17 to 10.

In the third quarter the Lions were still missing their field goals and the Beavers led a tan point advantage at the end of the third quarter. The score read 22 to 12.

In the fourth quarter the Lions put everything they had, and looked much better but the Beavers still kept ahead by 6 points, the game ending with a score of 25 to 19 in favor of the Beavers.

West Linn missed the services of their regular captain, and guard, Cecil Johnson. It is hoped he will return to finish with the Lions for the season.

Lions Victor Over Tigers 39 to 32

The students of West Linn were treated to a real thriller of a basketball game Friday afternoon between the local Lions and the visiting Tigard Tigers.

Tigard won the game 39 to 32 and were never behind and at one time in the first half, were twelve points ahead, but the Lions roared back and within a few minutes were on the tails of the Tiger. The half ended with the score of 22 to 20. The second half went slower with less scoring being done, but Tigard managed to draw away mainly because of their hot shooting which was the deciding factor of the game.

Tigard was paced by Art Jensen, who demonstrated much ability in shooting and ball handling. He was high point man with 13 points.

New year's eve the West Linn hoop squad trekked to Canby for what proved to be a runaway for the Lions, as they triumphed 35 to 16.

The game started slowly with Canby drawing first blood on a foul, and the rest of the first quarter was played in a see-saw fashion and it ended in a 6 to 6 tie.

Grade School Stock Up Points

An item of interest comes from Sunset grade school concerning a high scoring basketball team, which will be of interest to Coach Nixon in a few years. The team thus far in seven games has scored 216 points as against 118 for their opponents, and have lost only to O. C. Junior High by three points. The local ace is Harry Johnson not related to Cecil, who has racked up well over 100 points.

FASHIONS

By JEANNE EMMONS

The Senior class party last Friday night has the school talking about some of the latest fashions. The girls came semi-formal along with most of the boys, while a few boys wore slacks and sweaters. Light blue and black seemed to be sported the most. The Bragg sisters, and Rose Vedder looked sophisticated in their black dresses and black sandals. Elaine Hellberg had on a very pretty pale blue dress with sandals to match, and Marion White also had a two pieced light blue outfit with the ever popular sandals. Joanne Emmons offered quite a contrast in a cute bright red dress with gold buons and three quartered sleeves along with red shoes and red flowers in her hair. Bonnie Baty had on a long waisted black and white dress, and Isabel McLean looked awfully cute in her tan suit and brown sandals. The most talked about, we believe, was the beautiful white orchid that Lee Bettinger gave Nadine Z. and also the beautiful orchid that Claudia Isham was wearing. Mary Kay Johnson looked especially nice in a brown, and powdered blue dress. Paty Brennan supported a darling blue street dress, and Beve Buchotz wore a lush velvet dress, with a sparkling diamond pin at the neck.
