Who am I _____?

I've been married for five years and have a lovely one-year-old. My hobbies include crocheting and bike rides with my dog, Johnny Cash. I have lived "in a van down by the river" and have received free-and-reduced lunches. My best vacation was my first Thanksgiving with my spouse in New York. We did the Macy's Day Parade and saw U2 perform in Madison Square Garden!

I've been married for 27 years and have two children. My daughter is 26 and my son is 24. I love anything that is outdoors: tennis, car trips around the Pacific NW and photography. I worked at both Palos Verdes and Manhattan Beach Tennis Club in Southern California and started the South Bay Grand Prix tennis organization. My best memories are camping with my family and friends.

Who am I _____?

I have been married for 26 years, and have three children; two daughters who are 21 and 16, and a 12 year-old-son. I enjoy driving and working on my little British car, a 1974 Triumph TR6. I also collect baseball cards and different kinds of baseball memorabilia. When I was a student in Minnesota, Ward Lewis did his student teaching in my high school!

Who am I _____?

I've been married for 29 years to my wonderful spouse who is a teacher in this district as well, and we have one son who is 22, and a daughter who is 24, whom both attended WLHS. I enjoy playing golf and river rafting. In school, everyone called me "Throttle." I had a 3.2 GPA, and I was actively involved...maybe that's one reason I chose this career path.

Who am I _____?

I have been married for 29 years and have a daughter who is 17. I love traveling, playing golf and watching action movies. You may not know that in my high school band I played the tuba, and for two years I lived in a multi-million dollar mansion with a maid, gardener and cook for free! I am most proud of my daughter.

Who am I _____?

Since I'm a huge nerd, I love reading field guides on everything from parasites to medicinal plants. I have been skydiving, paragliding, hang gliding, bungee jumping and cliff jumping. In college, I was a taxidermist and made museum specimens for classes. In habitat study, I radio-tracked coyotes. A happy moment in my life is when a bear charged at me and then stopped.

Who am I _____?

I've been married for 10 years and I have two children. My daughter is seven and my son is five. I love to golf, dig for razor clams and play with my kids. I was an extra in the movie "Goonies." My favorite vacation was a 10 day trip to Maui. I was a good student because I was scared to bring a bad report card home to my dad. A happy moment was my first Blazer game in 1980.

Who am I _____?

I have twin boys, Ian & Kane who will be 11 in July. I enjoy all sports, watching my boys play sports and working in my yard. Recently I have donated my kidney to my brother. In high school I was called "hot dog" for my basketball talent. My happiest moments were giving birth to my twins and spending time with my grandparents.

Who am I _____?

My spouse and I have been married for 17 years. If I could skip work for a day, I'd dirt bike with my spouse after getting a veggie breakfast burrito from Market of Millions (Market of Choice). We would then relax in the hot tub that I don't have. One cheesy name I was given by a middle-aged waitress I worked with when I was a teenager was Chauncey.

Who am I _____?

I'm not married and I have exactly zero children. In high school I spent six months of my senior year living in Chile and I've been to nine different countries! My ideal vacation would be visiting a new country, bouncing from hostel to hostel and meeting interesting people. Winning five bucks on a scratch-it ticket and the Blazers making it to the playoffs were happy moments in my life.
