

Not paying taxes is now good for your health.

Introducing our new Health Savings Account

With our new Health Savings Account, you gain a powerful tool to manage rising health-care costs. It combines affordable health coverage with tax-free investing and a full array of investment options through Wells Fargo or a premium bank of your choice. Learn more about the advantages of the Health Savings Account, including our worldwide network, by calling your agent or visiting www.or.regence.com. Or call us today at **1-800-452-2909**. You will discover just how healthy tax-free investing can be.

Your Health. Your Dollars. Your Future.
