

Letter Carriers food drive collects 70.7 million pounds of food

The National Association of Letter Carriers national food drive on May 12 collected 70,745,176 pounds of non-perishable food nationwide, reported union President William H. Young. It marks the fourth year in a row that citi-

zens donated more than 70 million pounds of food to the needy through the union's "Stamp Out Hunger" drive.

In Oregon and Southwest Washington, Letter Carriers collected more than 1.6 million pounds of food, surpassing

its statewide goal of 1.5 million pounds of food and increased more than 14 percent over last year's totals.

The NALC food drive takes place on the second Saturday in May. It's the largest one-day food drive in the nation.
