

QUALITY CARE AND STABILITY FOR OREGON EDUCATORS

For 65 years, we've been the affordable, high-quality health care choice for union members and their families. Here are a few reasons why:

- Get access to a highly skilled health care team that includes doctors, dentists, nurses, and support staff who take pride in delivering personalized care.
- Stay healthy with online health assessments and wellness programs.
- Manage your health online at **kp.org**—e-mail your doctor's office, schedule routine appointments, order prescription refills, and much more.

Choose health. Choose Kaiser Permanente.

Celebrating our past. *Looking to the future.*
