

What Our Presidents Have Said About Unions ...

Abraham Lincoln

"All that serves labor serves the nation. All that harms is treason ... if a man tells you he loves America, yet hates labor, he is a liar..."

Franklin D. Roosevelt

"If I were a worker in a factory, the first thing I would do would be join a union."

Harry S. Truman

"The right to join a union of one's choice is unquestioned to-day, and is sanctioned and protected by law."

John F. Kennedy

"The American Labor Movement has consistently demonstrated its devotion to the public interest. It is, and has been, good for all America."

*Wishing our brothers and sisters
a wonderful Labor Day holiday weekend.
In solidarity and
with heartfelt thanks for your support.*

Uncle Sam wants you to buy American!

Be an Economic Patriot
Your Government is Pledged To
"Buy American"
You Can Do the Same!

With unemployment continuing to grow, everybody is watching their spending. But, don't be penny-wise and pound foolish. If and when you buy anything, look for union-made-in-the-USA. It's the patriotic thing to do.
