

# Unionists to bowl for Muscular Dystrophy Association on April 28

Mark your calendars and form a team for Sunday, April 28, and the 24th Annual Labor Bowl Challenge to benefit the local Muscular Dystrophy Association (MDA).

It's easy to get to the Sunset Lanes, 12770 SW Walker Road, Beaverton.

Registration starts at 11 a.m., with bowling under way at noon.

Money for MDA is raised by individual fundraising and a silent auction. The goal is to pre-register 30 or more four-member bowling teams representing about 20 local unions.

In addition to a fun day bowling with fellow union members, families and friends, there is a silent auction, along with terrific door prizes, pizza and soft drinks for participants. Prizes will be awarded to the top individual fundraiser, the man and woman with

top average score (three games), and lowest average bowler. Also, there are prizes for incremental levels of fundraising.

All proceeds will benefit the local MDA, which provides much needed support to over 1,200 local individuals

and families living with neuromuscular diseases. Money goes to buy wheel chairs and braces for children, as well as medical services, research and summer camps.

Since its inception in 1989, the Labor Bowl — coordinated by the National Association of Letter Carriers (NALC) Branch 82, the Northwest Oregon Labor Council, and other participating Oregon labor unions — has raised \$339,721 for MDA.

For more information, or to sign up and receive fundraising packets and instructions, call Jim Cook, president of Letter Carriers Branch 82, at 503-493-5903. To donate silent auction items, call NALC's MDA Coordinator Debby Burbank at 971-404-5384.

Not all vehicles made in the United States or Canada are built by union-represented workers. Vehicles not listed here, even if produced in the United States or Canada, are not union made.

These vehicles are made in the United States or Canada by members of the UAW and Canadian Auto Workers (CAW). Because of the integration of the United States and Canadian vehicle production, all the vehicles listed that are made in Canada include significant UAW-made content and support the jobs of UAW members.

However, those marked with an asterisk (\*) are produced in the United States and another country. The light-duty (LD) crew cab versions of the vehicles marked with a double asterisk (\*\*) are manufactured only in Mexico; other models are made in the United States.

When purchasing one of these models, check the Vehicle Identification Number (VIN). A VIN beginning with "1" or "4" or "5" identifies a U.S.-made vehicle; "2" identifies a Canadian-made vehicle.

*Editors note: as with all Do Buy lists this list does not include all available union-made products and services. We welcome your suggested additions and invite you to add your products to our online database at [www.unionlabel.org](http://www.unionlabel.org)*
