

CELEBRATING THE POWER OF TOGETHER

KAISER PERMANENTE IS PROUD TO
WELCOME BACK UFCW LOCAL 555

A healthy workforce is the foundation of a strong economy.

In the 1930s, many of Kaiser Permanente's first customers were union members, and we continue to serve America's union workforce today. In fact, more than 80 percent of our own employees are union-represented.

We've come a long way since then – leading the way in delivering hassle-free care that fits your lifestyle. We save you time by offering most of your care under one roof and offer quality choices when it comes to finding the right doctor – with the freedom to change at any time.

Like you, we see quality as a matter of pride. That's why we're proud to share the results from the 2014 J.D. Power Member Health Plan StudySM ranking us "Highest in Member Satisfaction among Commercial Health Plans in the Northwest Region."^{*}

CELEBRATE WITH US AT OAKS PARK

Join us on Monday, September 1, at Oaks Park for the annual Labor Day picnic. We look forward to seeing you!
