Steer your career and join the TriMet family

We're hiring part-time bus operators! After six weeks of paid training at \$14.25/hour, you'll start at \$15.63/hour, and after three years you'll make nearly \$60k/year. We also have great benefits – the same medical/dental/vision coverage that full-time operators get – and a retirement plan with a generous company match. Plus, on average, part-time operators can go full-time after about six months. Put yourself in the driver's seat and join the TriMet team.
