# *Pac/West wishes all of Organized Labor a Merry Christmas and Happy New Year*

*2017 marked our 20th anniversary at Pac/West, so this year as we  
all celebrate the holidays, we would also like to give thanks for two  
decades of strong partnerships with organized labor.*

## **Here are some things we helped deliver to union workers in 2017:**

- Helped enact statewide ban preventing cities/counties from passing Right To Work (for less)
- Protected thousands of union jobs by defeating legislation designed to stop Jordan Cove
- Passed state mandate for the employment ratios for utilization of apprentices in public works
- Required high schools to promote apprenticeship programs alongside college materials
- Increased penalties for people who cause injuries to road workers and transit employees
