

Iron Workers Local 29 members' families have breakfast with Santa

Iron Workers Local 29, their Joint Apprenticeship Training Committee, and Ironworkers USA Credit Union held their 33rd annual Breakfast with Santa party Dec. 9 at the Monarch Hotel in Happy Valley. Initially hosted during the difficult economic times of 1985, the special event was created to help make the holiday season a little brighter for ironworkers' families. Since that first year it has become a popular and eagerly-awaited holiday event. A record 500 Iron Workers union family members — including more than 200 children and grandchildren — enjoyed a holiday breakfast with hot chocolate and marshmallows, followed by a visit from Santa Claus. Children 10 and under each received a wrapped present.
