Now he owns and sees patients in all 3 of his Sunrise Dental locations: Beaverton, Salem, and now Vancouver!!! Dr. Lee loves to go camping and hiking. He has an amazing wife, Han, and two boys who are now both in dental school to become dentists! Dr. Lee and his staff's Number One priority is to treat all patients like their family. Thank you to all our Brothers and Sisters of Labor for your ongoing support. We look forward to treating you at Sunrise Dental of Vancouver.

Dr. Yu has been working with Dr. Lee for the last 3 years at Sunrise Dental of Beaverton. Outside of treating her patients, Dr. Yu loves fishing, movies, and traveling. We are so excited that she has decided to make Sunrise Dental of Vancouver her permanent home, and we are confident that all of our Sisters and Brothers in the Vancouver area will be well taken care of.
