## ELECT DOUG LASHER

**Clark County Charter Review Commissioner**  
At Large Position #1 (NP)

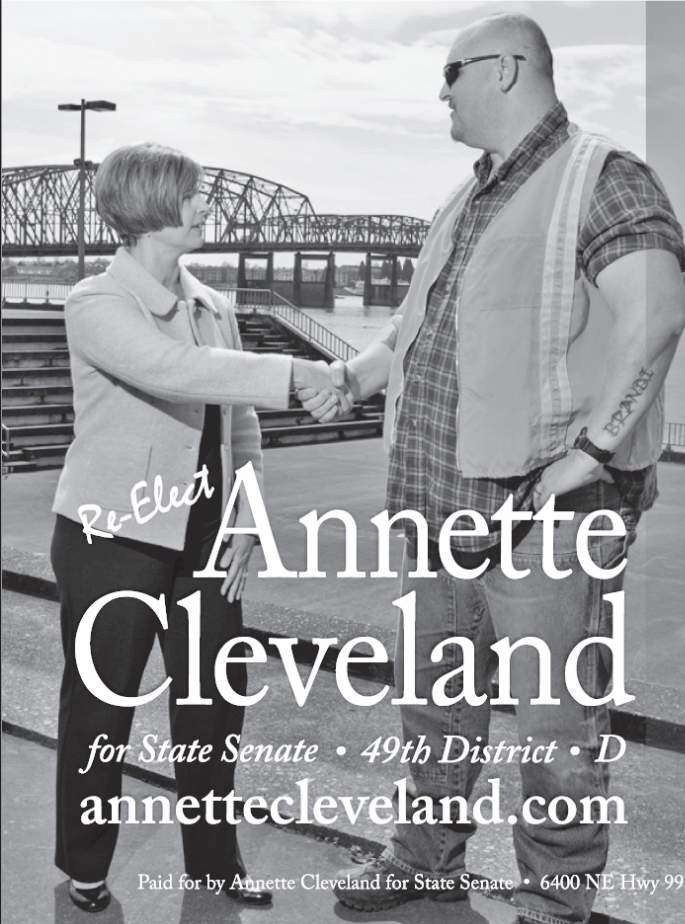

**What will I look for in the Clark County Charter?**

I believe the principals for a successful county government include:  
**effectiveness - efficiency - accountability - transparency - checks and balances**

I will advocate to make sure these principles are incorporated in any recommended changes of the Charter Review Commission. It is my goal, with your help, to improve and update the County Home Rule Charter.
