

THANK YOU FOR GETTING THE JOB DONE

The pandemic has tested your resilience and commitment, at home and at work, and you've withstood the challenges and delivered.

And Kaiser Permanente is delivering, too. Providing many health care options – including in-person appointments, as well as the convenience of phone, video¹ and email – all to help ensure you get the care you need easily and conveniently.^{2,3}

We hope you thrive this Labor Day.

¹To have a video visit, members must be registered on kp.org and have a camera-equipped computer or mobile device. ²When appropriate and available. ³These features apply to care you get at Kaiser Permanente facilities.
