

It's Homecoming time at VHS: Time for some healthy competition!

By Tammy Vanderzanden, VHS Alumnus

Homecoming is an annual tradition at most high schools and colleges in the United States. It's a time to welcome back former residents and alumni, as well as a time for current students to show their school spirit.

I'm sure many of you will never forget Homecoming week at VHS. For the girls, this was the much-anticipated "Mum" sea-

son; when your best beau bought you the yellow mum corsage with the gold football dangling from it.

It was a high-energy time... students were psyched... teachers were in good moods. For all, there were the crazy dress-up days, hall decorations, air jams, and serious sign competitions; "Knock Corbett into Orbit," was one of our winning signs. And then there was Kangaroo Court, the flying pies... and the skits...the pictures speak for themselves!

Some may remember the crazy serpentines down Bridge street, and let's not forget the bonfire and how the senior class was in charge of guarding over it the nights before the game...lest anyone got a notion to light it early!

This year the VHS Homecoming game is set for October 19, when the Logger's play Warrenton. Kick-off is at 7:00 p.m. Gather your fellow classmates, come cheer on the Loggers and reminisce about old times!

How about a little friendly competition? Let's see which class can round up the most alumni to attend the game. Let's rock the grand stand. We look forward to seeing you later this month! GO LOGGERS!!
