

a letter from the editor....

With Halloween behind us, we're in a full-on launch into the holiday season. Be sure to check out the Events Calendar for many November and early December activities, to include Vernonia's celebration of an Old-Fashioned Christmas.

November is traditionally a month of counting our blessings and giving thanks. So along those lines, I'd like to say I'm thankful that our town, both citizens and advertisers, have been able to support the efforts of Vernonia's Voice; committed to reflecting the spirit of our community and to reporting community news in a mindful way. I'm also thankful I live in a place where problems, though they exist, are not insurmountable.

In writing the "Long" Dream Come True, the story and family behind Café 47, I was reminded about how resourceful we are as Vernonians and as a community. I also see how effortless it is to give support to something when there's genuine passion and determination at work. Again, congratulations to Bill and Karla Long -- your energy and enthusiasm is contagious!

With the changes we've seen this year, and the vision of more to come, it's an exciting time for our community. Thank you for letting Vernonia's Voice be a part of it!
