

## from the editor....

While Vernonia continues to wrestle through change - budget decisions, new schools for our children, new city administrator (welcome James Johnson!), some things remain constant; I'm referring how we as a community continue to benefit from our volunteers.

This note is a thank all who came out and served for "Make Vernonia Shine Day," and those who continue to bless us with fun events such as **First Friday and the Open Air Market** (you won't want to miss this month's - it's going to be BIG!). This month there's an added bonus with **KUPL's Fishing Derby and Cruisin' Concert**. Again Vernonia volunteers working alongside KUPL to bring this event to town year-after-year.

Thank you!  
Evangeline Doyle, Co-Editor/Publisher

To fellow Vernonians and friends of Vernonia, such as Monique and All Her Friends who volunteered at the Pioneer Museum, a huge THANK YOU for turning out for "Make Vernonia Shine Day!"

# iChecking 5.01% APY\*

### Here's how it works...

Qualifying for 5.01% APY on balances up to \$25,000 is so easy, many people already do. The list of free monthly† requirements is short:

- ▶ Active enrollment in **e-Statements**.
- ▶ Login to **Online Banking** at least once a month.
- ▶ Make **one electronic deposit or withdrawal (ACH)** monthly (includes direct deposit).
- ▶ Make **at least 12 cleared debit card transactions** monthly.

All members will receive 5.01% APY on balances up to \$25,000 the very first month they sign up regardless of whether or not they meet the requirements. After the first month, members who do not meet the requirements will receive .10% APY on their balances for that month. You always have a chance to start over and meet the requirements the very next month, and you never pay a maintenance fee no matter what happens.

Balances over \$25,000 will receive 0.50% APY. If monthly requirements are not met, you will receive .10% APY that month. APY's effective 3/1/08 and subject to change at any time. Fees may reduce earnings. Membership requirements apply. †Monthly = from the last day of the month to the day before the last day of the following month.
