Employee Profile...

Michael Ashby Grocery Manager

Michael Ashby is the Grocery Manager at Sentry Market, which means he's in charge of a little bit of everything. "I'm in charge of keeping stock on the shelves. Anything that has to do with groceries--that's me." says Michael. He manages the night crew and closes the store at night. "And I'm Mr. Fix-it around here."

Michael went to middle school in Vernonia and returned a few years ago to raise a family. "I really like the family atmosphere here at the Sentry Market. I really like that I know who my customers are, that I know them by name."

When he's not busy checking in the freight or getting the shelves stocked for the next day's customers, Michael enjoys spending time with his wife, Cassandra and two year old daughter, Lucy. He also enjoys biking and fishing.
