Charming Scandinavian style historic cedar log home built in 1934 from trees on the property. Beautiful original large bay windows, rough hewn cedar walls, stone backed gas fireplace, and the gourmet kitchen features a gas Jen-Air cook top, granite counters, and a brick archway leading to the dining room which are just some of the special touches this three bedroom two bath home have to offer. A versatile outbuilding includes a gas heated art studio, fully carpeted exercise room, and a large drive in shop area or enclosed garage. The building also houses the newly installed water system and a cistern. This property includes a gas generator to run electricity to the house, barn, studio and shop for off grid living.

Wonderful property on 2 acres hidden away on a dead end street just 6 blocks to downtown. This three bedroom, two and a half bath home was custom built in 2002. Home has a wrap around covered porch, beautiful wood floors, large kitchen with granite counters, and windows everywhere with lots of light during the day and stars to view at night. Enjoy the great room with two story windows with remote control shades and a pellet stove to stay cozy in the winter time. Great detached shop/garage with two oversized RV doors, full bath and set up for wood heat to keep you warm while you tinker.
