What is Contra Dancing?

According to www.sbcds.org/contradance/whatis/: "Contra Dancing is social interaction, meeting people, and making new friends, set to music. The rest is just details. You are probably feeling a little afraid to try something new. You will likely try to find an excuse to not try contra dancing. And thereby deprive yourself of something that could give you decades of a joyful activity."

*Not just in the community,
but a part of it.*
