

Spiralz Salon—New Location, Same Great Service

Spiralz Salon owner, Karin Davenport, has moved her business from her downtown location to her home.

The location of Spiralz Salon is on the very south side of Vernonia just off Highway 47. In fact she isn't actually in the City limits and had to get all her building permits through Columbia County. Her house and shop sit behind another home just at the rise heading out of town—there is a small yellow flag

with a butterfly that indicates the gravel driveway, just past River Street, that leads back to the new location.

The new Spiralz Salon has a welcoming feel, with Karin's usual touches of class and style. Spiralz Salon will continue to offer the same hair services as before: cuts, coloring, and perms. Davenport is available by ap-

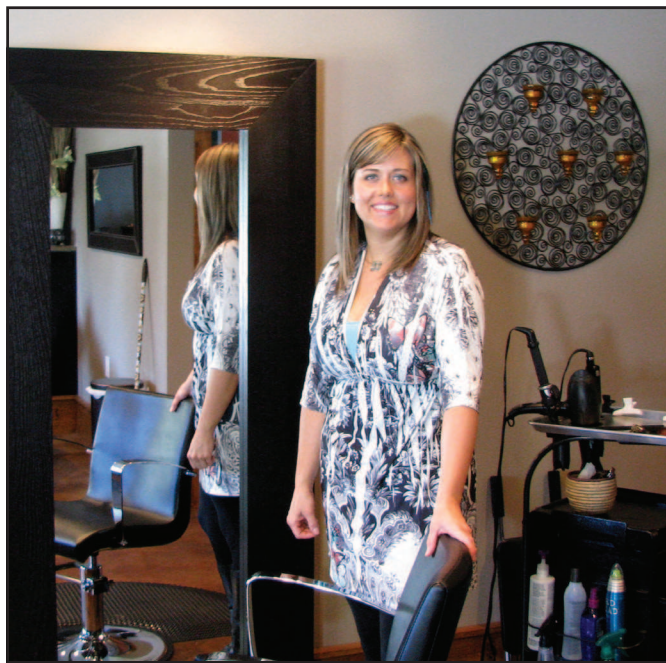

pointment only and has a new phone number.

Davenport says she moved for two main reasons. After being flooded in 2007 and spending a lot of time and effort remodeling, she just didn't want to take the chance of being flooded again. And she wanted to cut down on overhead.

The Davenports spent the last year remodeling the attached garage into a beautiful salon, complete with two chairs, hair washing sink and more. They installed a ductless heat pump with an allergen filter, and a handicapped accessible restroom. Her husband did all of the work himself and their two sons Tyler and Trevor helped when they could. They did have a little extra help from a family friend on the plumbing and NW Total Home did the cabinetry.

Now that she has been open for a few weeks, Davenport is recognizing an extra perk to her new location—the new salon is quieter and more comfortable for her clients. At her downtown location, she found she was frequently interrupted while she worked; at the new location people seldom drop by unannounced. "Being here is going to change the atmosphere," she says. "I just want it to feel calm, relaxed, serene and comfortable for people."

Davenport says she also appre-

to enjoy while getting their hair cut. "It's just so people can feel relaxed while they are here," explains Davenport.

Davenport is planning an Open House to welcome everyone to her new location. It is scheduled for Sunday July 10 from 1-5 PM. Stop by for hors d'oeuvres and refreshments and a tour of the new shop.

To schedule an appointment call Karin Davenport at Spiralz Salon at 503-429-7408.

ciates that she can provide easy access parking for her clients. "After being downtown where I was and not having any parking, it's pretty great to have this wide open space for parking," she says. She also mentioned that her old location is now available for rent.

Davenport just received her first shipment of Hair Feathers and Tinsel which are the newest hair extension craze. The feathers are reusable and are placed in the hair with a micro bead and can last up to 8 weeks. The hair Tinsel lasts a few weeks. Davenport is stocking a few self tanning products this summer as well. One feature to her new salon is her small refrigerator which she hopes clients take advantage of in what she's calling "Bring a warm one, have a cold one" Clients can bring a warm beverage of their choice, put it in her refrigerator, and take a cold one
