

Booster's Buzz

Baseball—Vernonia Baseball would like to thank everyone that helped with the fireworks booth this year. Our fundraiser was a big success and would not have been possible without the many hours of volunteer time that so many people gave! A special thanks to public works for hanging our sign and to Brooke Morrison for taking the responsibility to load and unload all of the fireworks each day! Congratulations go out to Jenny Glass for winning the drawing of the American Pride firework pack. The pack was worth about \$200.00! Congrats Jenny.

And finally a big thanks to Dick Titus for the use of his downtown property where we set up the booth!

The Midgets and Juniors are both getting close to the end of their regular season and are headed to the

county tournaments. It has been a great season for all the boys--good luck at county.

The Juniors have been holding games out at the new Titus Field. The field is still a work in progress, but we are so thankful for everyone that once again has volunteered their time to work on the field. Baseball season is almost over, but those fields still need attention. We are hoping to plan some work days after the season's end to begin preparing for next year's baseball season. Thanks again Vernonia Baseball Supporters!

Soccer—It's fall registration time for Vernonia Youth Soccer!

Vernonia Youth Soccer will have two evenings of signup opportunities for our budding soccer players. July 12th and July 14th from 5-7pm at the Vernonia Library.

With the changes last year in how we manage uniforms things are simpler. All players, parents, coaches and board members are required to sign a code of conduct that matches with the Booster Organization. So come on by and sign up for Fall fun. Practices start mid-August and U10/12 games start shortly after school resumes. Check out our Facebook page: Vernonia Youth Soccer.

Costs for signups, which includes insurance and league operational costs are as follows: U6--\$40, U8 and up--\$50. Cost for uniforms, if needed, is \$20, and includes a jersey, shorts and socks. Ages brackets are based on children's age on/before July 31, 2011
