

# Senior Stars: Kathleen Tiffney

*continued from page 9*

about his police business so Kathleen never could find out any scuttlebutt. She also says that even the town roughies, lucky for them, enjoyed Officer Lolly's "nice guy reputation," but if he ordered them to leave town, she recalls, they left!

She also remembers the town giving her dad a wonderful retirement party at the old Odd Fellows Hall. A photo of her dad, Police Chief Ace Lolly is proudly displayed today at the Police station, on the wall next to the information counter.

Today Kathleen and Don have been married fifty-four years have a daughter Allyson, VHS Class of '68, married to Keith Cameron, VHS Class of '67. They enjoy hanging out at their Seaside

beach getaway.

Kathleen's Bucket List: Opening up her doll shop with her MANY dolls for all to enjoy, and making a trip twenty-six miles across the sea to Catalina Island, CA, where she once lived back in the 1940's—pre-tourist days.

Thank you Kathleen Lolly Tiffney for sharing with our readers your nostalgic glimpses of Vernonia's past and your memories through the eyes of one adventurous woman. And if you know Kathleen as I do, she still would be up for one tire smokin' bike ride.

Shall we add that to your bucket list, Kathleen?

# Just the Facts

**RECALL COUNCILORS  
NICKS AND BURCH**

This is not a campaign for Bill Haack or against Mike Kay. It is an outcry from many citizens that Nicks and Burch are not making decisions that are in the best interest of the community and that Burch and Nicks are not capable of leading the community in a positive direction. After only 6 months in office, Burch and Nicks have:

- ✓ Made decisions based on personal bias.
- ✓ Ignored outpouring of community voices.
- ✓ Refused to inform public with facts that support their decisions.
- ✓ Gave voters false information in their recall ballot rebuttals.
