Building Vernonia School Keeping it Local: Local Carpenters

What they do: Various projects

Don Hummel, Vernonia

Don Goodwin, Vernonia

Personal: Originally from Damascus, Don has been a carpenter for over 20 years. He lives in Vernonia with his fiancé and four-year-old daughter. In his spare time he attends church and likes to fish.

Personal: The best part of being a carpenter for Don Goodwin is working outside. A resident of Vernonia for 15 years, Don is married and has 15 children. Work has been slow and this job comes at a good time.

Quote: "To work so close to home is amazing. Living in Vernonia is a like going back in time 20 years."

Quote: "Our kids need a good school and this will really upgrade the community."
