experience in their events.”

On the down side, the Loggers have been up against some really bad weather with sub-par practice facilities. “The track is a muddy lake during wet weather and loose dust in dry weather, no lanes to practice hand-offs, so we have to improvise,” says Brown. “Even with that, our relay teams have historically done very well—a tribute to the talent we’ve had.” the Loggers boys’ team was 4th in the state last year, 2 steps behind state champs Central Lynn (who set a new state record).

On the plus side, the Loggers are fortunate to have Shelby Gritman as a volunteer coach. Gritman was one of the top sprinters in the state at Vernonia as a freshmen and then later at Clatskanie High School, and he will really help an already talented group of sprinters be even better.
