PTA PRESS EXTRA!! EXTRA!! READ ALL ABOUT IT

By Melissa Zavelas

It's hard to believe that another school year has almost passed us by. New and exciting agendas are PTA's cry.

You can still participate, and help organize all these things on our plate. No more meetings this year, but please share your ideas for the next school year.

We the PTA are extremely excited to announce the return of the fall carnival. We have been unable to host the carnival the last couple years due to low PTA membership, flooding, and lack of funds. We have had a great membership count this year, no flooding, and the ability to replenish our account to make the carnival possible again. We are hoping you are just as excited as us. With planning underway we could use input, donations, committee members, and help. Great ideas are in motion to make this Fall carnival the best

ever yet!

To start us off, we are going to bring back what used to be the silent auction. Instead of a silent auction we will be selling raffle tickets for 13 different themed baskets. Each class will be asked to participate in this basket collection. A list will be provided for your convenience with this article.

Also we will be offering to students K-5 a chance to design a flyer for the carnival. Letters with information regarding this will be sent home very soon.

We look forward to the summer, but we are all so very excited for a great school year of PTA 2012-2013. Thank you for all your continued support. If you have any questions about PTA or would like to donate your time and energy to the planning and preparation of the carnival please call our PTA president Camrin Erryick 1-971-258-9994.

A special thank you to all the volunteers who helped set up for the annual Easter Egg hunt. It was a great success. The Easter bunny hinted he would be back next year.

VHS Band Heads to State

The Vernonia High School Band, under the direction of Rob Izzett, is getting ready to compete in the 2A State Band Festival on May 10th.

The competition will be held on the campus of Oregon State University in Corvallis. The VHS Band qualified for the State Festival after winning their league competition earlier this year.

Izzett has been preparing his students to perform three pieces of music that include an overture form a French opera, an Appalachian coral, and a three movement piece of Greek folk songs.

Vernonia's Voice would like to wish the VHS Band good luck as they compete at the State Band Festival. Let's Go Loggers!
