

First Day at the new Vernonia Schools

On the first day of classes at the new Vernonia Schools, students were greeted at the door by State Senator Betsy Johnson and Columbia County Commissioner Tony Hyde, who handed out pencils and apples. Students found their way from the bus to their classrooms, checked out the new storage cubbies and were introduced to their student body officers, 19 foreign exchange students and several students new to the district.

I am a role model because of PCC.

Vernonia resident Tera Roberts was a single mother with eight children and few options when she came to PCC. Now a nurse practitioner just months from her doctorate, Tera is showing her children the value of higher education and inspiring them to follow in her footsteps.
