

Railings Installed on Fishing Docks at Lake

The Vernonia Lions Club applied for and received a grant from the Oregon Department of Fish and Wildlife to repair the flotation devices under the floating docks at Vernonia Lake. The grant also included funding for the installation of

safety handrails around the perimeter of both docks. Members of the Lions Club, along with other friends of Vernonia Lake, did the installation work themselves.

A big thank you goes out to these volunteers who worked to improve our community. Photo courtesy of Larry Snethen.

Where
Do
You
Read
the
Voice?

Vernonians Ben and Jamie Fousek recently traveled to Cincinnati, Ohio for a family wedding. While they were there they stopped by the Cincinnati Zoo and Jamie visited with Gary the Gorilla while reading a copy of Vernonia's Voice. Gary wasn't interested.

The Spirit of Christmas in Vernonia
