

The Scuttlebutt - News From Around Our Town

Kids Bike Safety Fair- On Saturday May 4th the NW Bicycle Safety Council held a Bike Safety Fair at the Vernonia Schools. Over seventy-five kids watched a training video, were fitted for new helmets, had repairs and tune-ups performed on their bikes and received instruction on a safety skills course in the parking lot.

All these activities, including the bike helmets were provided free of charge. The program was a collaboration between the NW Bicycle Safety Council, the Vernonia Lions Club, The Bike Gallery, the Vernonia Police Department and the Vernonia School District.

The Fishing is Good At Vernonia Lake- Saturday, May 4th was a good day for fishing at Vernonia Lake. Staff from Oregon Department of Fish and Wildlife (ODFW) were on site for their annual free fishing day and were lending out poles and tackle and giving advice to anyone who wanted to give it a try. ODFW has been stocking Vernonia Lake throughout the spring season and had just stocked it again a day before this weekend event with 4500 more trout.

Where Do You Read the Voice? Randal Harvey recently landed in Kansas where she met up with Dorothy and Toto. Randal says she read some stories to Dorothy for the Voice, but didn't try to steal her ruby slippers.

Vernonia US Bank Branch Manager Matt Stone took a vacation to Disney World in Orlando, FL. and took time out from the rides to read his copy of the Voice.

PCC Honors Diamond Alum Award Winner Ben Jones!

Ben Jones didn't have direction or a high school diploma when he enrolled at PCC, but a science class inspired him to start on a new path toward becoming a physician. Ben graduated from OHSU medical school and is now a resident in emergency medicine.
