As the season changes, it is time to mentally shift gears.

Aries (March 21-April 19) Relationships are highlighted this month. Others are looking for commitments from you. Your mood is romantic, but playful. Near the full moon on the 11th, a long-standing problem may come to light. Career and finances are in the spotlight. It is time to prove your worth, display your leadership abilities, and make decisions. Be as professional as you can; others are taking note.

Taurus (April 20-May 20) Work may seem heavy this month. Be sure you are not taking on more than your fair share of the work load. Frustrations may show themselves around the full moon on the 11th. Keep your cool, all signs point to you moving forward. Family life

Your Horoscope for October 2013

is restless as the weather cools. Get rid of non-essential things in your life and you may find that your attitude improves.

Gemini (May 21-June 20) A relationship may deepen perhaps due to the resolution of a long-standing problem. Superficial elements of partnership are no longer tolerable. Get serious about a project. Some may enter into a business partnership. This is a favorable time to turn a creative undertaking into a profitable hobby. Watch for hurried speech and impulsiveness this month.

Cancer (June 21- July 22) There may be considerable frustration surrounding your family and career this month. A job offer may be hard to refuse near the 11th. There will be opportunities to strengthen partnerships now. You may unexpectedly take a friendship into unexplored romantic territory. Focus on your work, health, and fitness. You feel inspired and motivated to take better care of yourself.

Leo (July 23- August 22) Finding the balance between self-assertion and cooperation is a challenge this month. Unexpected opportunities to travel may present themselves, and/or to further your

education present near the full moon around the 11th. Decisions need to be made, but stressing over them won't help you. Love can be found very close to home, perhaps even in the neighborhood.

Virgo (August 24- September 22) If you have been worrying about money, now is an excellent time to take charge of your finances. You need to 'buckle down', but it will feel good to get your priorities straight. Relationships with siblings and neighbors improve and are a source of happiness. Many enjoy success in studies. Get extra rest to prepare for an especially busy Fall.

Libra (September 23- October 22) This month you must tend to your own needs without feeling guilty. It is time to push your own personal projects ahead and let others take responsibility for their own lives. A clash in values or conflict over money with a friend can be frustrating near the 26th, but money matters overall will improve. It is a good time to clear a debt or make an investment.

Scorpio (October 23- November 21) At this time you stand to either make a new connection that lasts long term, or to enhance the bonds of an existing one. Career matters are fast-paced, stimulating, and sometimes rocky. You may need to watch what you say near the 26th- 27th. Personal charisma runs high and love matters are strong.

Sagittarius (November 22- December 21) A desire to be with friends is strong this month, but be careful not to over-commit in the process. Avoid a tendency to forget your own needs. Increased clarity about

a love affair comes to you by the full moon on the 11th. Some Sag's may begin a new relationship at that time. It is time to shine your light. Be humble, but don't hide your abilities. A creative pursuit sparks your interest and brings out your creative juices.

Capricorn (December 22- January 19) Your ambition is heightened now, but you also enjoy contributing to a team or group effort. Now is the time to shine. Others will come to your aid or inform you of an opportunity for advancement. You will need to find a balance when it comes to attention toward the family, who will remind you of this around the 11th. Keep an easy smile, go forward, and remember to give some needed attention to those around you.

Aquarius (January 20- February 18) Developments in your career are favorable. You experience more motivation to realize your business goals and to improve your income. It is a good time for education, you might feel somewhat bogged down with responsibilities, so be careful not to take on more than you can handle. Partners can be demanding or cranky this month. Resolve to manage problems as they occur.

Pisces (February 19- March 20) Financial matters need careful handling. You have all of the necessary tools to make important changes to you spending and borrowing habits. Work can be demanding but motivating. Tame impatience and attempt to work independently at your own pace. Opportunities to break out of your normal routine abound and excite later in the month.
