Scorpio (October 23-November 21) Increasing your confidence and initiative are highlighted for you, Scorpio. Others are following your lead. It is a great time to present your ideas, state your case, or just get up to date with emails, phone calls, and paperwork. Career offers may come now and money owed to you could also arrive in the last week of the month. As you get a handle on your daily activities, you begin to realize some of your dreams of creating an ideal home environment.

Sagittarius (November 22-December 21) Career and family are especially strong for you this month. It is also an excellent time for personal finances. The first week of the month could involve some sacrifices and rethinking plans. It is a time of gathering your resources for the holiday season ahead. The last week of the month is very busy. You are willingly taking the load and others have your best interests at heart. A partner or lover is paying you a lot of attention which will feel great.

Capricorn (December 22-January 19) Key words for November are expansion, confidence, and hopefulness. You are feeling good about yourself and confident about

your future. A romantic revelation occurs around the full moon on the 13th. Venus (the planet of love and attraction) enters your sign. It is highly possible that you can attract exactly what you want in love and romance. Confusing financial matters or questions of ownership begin to resolve this month.

Aquarius (January 20-February 18) Business and public affairs continue to play a big role in your life. Pressures and over-activity in these areas begins to dissipate. You are likely to enjoy your increased exposure and recognition on a professional level. Increased responsibilities continue to be an issue in your life, but you feel more in control. Love is rather business-like or could be found through professional contacts. Friends and group activities are strong in the last week.

Pisces (February 19-March 20) Your sense of adventure runs high this month. You are itching for a change of pace. Partnership conflicts that have been brewing are magnified. The key to resolving this is to find common ground and to renew the element of friendship and equality in your relationship. Watch for money tensions around the 4th and social blunders or misunderstandings on the 17th & 18th. The last week of month is outstanding for work, money, and career.

Aries (March 21-April 19) Your main themes for the 1st week of November are finances, taxes, and intimacy. A love relationship reaches new depths of understanding. You are very busy with research and investigations of all kinds. There will be

engrossing projects and special events and you are eager to learn and produce. Your need for challenges will be palpable from the 17th forward. A travel, publishing, or educational opportunity will fall into your lap at the month's end.

Taurus (April 20- May 20) Close personal relationships are a focus this month. You may find yourself making more concessions than usual. A conflict between time spent with loved ones and time spent with friends is possible. Your responsibilities may interfere with your social life. A full moon in your sign occurs on the 13th, bringing about surprisingly strong feelings and emotions. Good news arrives on the 29th & 30th. Love opportunities are a strong possibility on the 11th and 28th.

Gemini (May 21-June 20) Work is the spotlight this month. Responsibilities at home are likely to conflict with career matters. Work is busy for you and you take great pride in what you do. A partnership steps up a notch becoming dynamic and maybe dramatic from the 16th on. A love relationship is likely to hit a new level of intimacy. Money owed to you may arrive near the 29th & 30th.

Cancer (June 21-July 22) Romance and creativity takes center stage in the first couple of weeks in November. Play time is a must too. There will be times that you feel bogged down with paperwork or projects, but there will be time for hobbies and outings. Your charm is at a high this month. Near the 13th there may be a need to help out a friend. Work is a flurry of activity in the last week of

the month. This period also favors increased physical activity or fitness routine.

Leo (July 23-August 22) This month may not appear to be productive but in fact you are nesting and gathering resources to prepare for busier months ahead. A career or reputation matter demands your attention near the full moon on the 13th. Romance picks up after the 16th of the month. Your job may bring you some social activities, you may even meet someone special through work in the second half of the month.

Virgo (August 23-September 22) A busy month of tending to paper work and keeping appointments. On the 12th your charm increases and you easily attract who and what you want! You may have to deal with a partner that appears to be a little irresponsible or erratic in their thinking. Romance without strings attached or expectations may be the answer you are looking for. The 15th and 16th is a period of strength for you when your powers of persuasion are especially effective.

Libra (September 23-October 22) You may have been over-spending and now is the time to organize your personal finances. This is an excellent month for budget making, asking for a raise, and discovering new ways to boost your income especially around the 10th and 12th. Work may seem erratic, but keep your cool. A generally friendly and positive attitude will help you to do just that. The last few days of November are excellent for education, communication, and learning.
