FROM KAREN MILLER: Recently I had the opportunity to attend the very informative Scam Jam at the Oregon Convention Center. Here is some information I learned concerning this very serious problem and how these professional scammers prey upon our population at any age, especially seniors:

MEDICAL IDENTITY THEFT & MEDICARE FRAUD: Medical identity theft occurs when someone steals your personal information (like your name, Social Security number, or Medicare number) to obtain medical care, buy drugs, or submit fake billings to Medicare in your name. Medical identity theft can disrupt your life,

damage your credit rating, and waste taxpayers dollars. The damage can be life-threatening to you if the wrong information ends up in your personal medical records. FIGHT BACK! Deter, Detect, Defend www.StopMedicareFraud.gov Report suspected Medicare fraud: phone 1-800-447-8477 on line OIG.HHS.gov/fraud/hotline.

NEXT COLUMN: How to DETER and protect your personal information.

CHRISTMAS IS AROUND THE CORNER Come in and do some shopping at our Senior Center. Volunteers always needed here as well. The Center is also looking for a manager.

A DOZEN SENIORS had a very informative time here with Michelle Moore, listening on how to maneuver the maze of the current health care laws. If you missed it, you have a chance again on November 8 from 9 to noon. Vernonia Senior Center.

THIS BEAUTIFUL FALL WEATHER IS NICE. But might be different when this paper comes out. Enjoy before winter!
