A Private Service was held at the Forest View Cemetery, 1161 W. Pacific

Avenue in Forest Grove.

VICKY ELIZABETH CROWSTON was born on March 18, 1943 in St. Helens, Oregon, the daughter of the late Frank and Elizabeth (Beeler) Serafin. When she was young she moved from the family farm to the Vernonia community where she was raised and received her education, having been a graduate with Vernonia High School Class of 1961. Upon her graduation she attended NW Business School in Portland.

She was united in marriage to Lawrence Notestine. Following their marriage they made their home in the communities of Portland, the, San Francisco Bay Area, San Jose, San Carlos and San Mateo. While residing in the Bay Area, she worked as an Administrative Assistant for United Airlines for thirteen years. They later divorced.

Vicky was united in marriage to Robert "Bob" Crowston on October 17, 1977 in Vancouver, Washington. Following their marriage they made their home in the Vernonia community, where she has resided since.

She was preceded in death by her husband, Bob on December 16, 1993 after celebrating over sixteen years of marriage together.

Vicky also worked for Tektronix, Inc. in Beaverton and later for Tri Quinn Semi-Conductor, Inc., in Hillsboro until her retirement at the age of fifty nine.

Throughout her lifetime, she had a special love for animals, rescuing and caring for many cats and dogs. She enjoyed caring for cats, "Mindy", "Muffy", "Patches", "Stinky", "Flash" and "Little" and her Shih Tzu, "Lady" as well as needle work and was an avid reader.

Vicky is also preceded in death by her parents, Frank and Elizabeth Serafin; her infant son, Brad Lawrence Notestine and her brother, David Serafin.

Survivors include her special friends, Summer Williams and Margy Prout, of Vernonia, Oregon and several cousins and nephews.

Vicky wanted to thank all the women who served as her caregivers, helping her to stay in her own home.

She has suggested that remembrances may be contributions to Valley Vet Clinic, 26072 Highway 30, Rainier, Oregon 97048, in her memory.

## FEMA Compliance

*continued from front page*

A new element of the review process is to ensure that the NFIP insurance rate that you are paying is linked to your lowest floor. Be aware that this may catch you if you have made improvements to your garage beneath your elevated house since the elevation. Even though your living floor is now 3 plus feet above the base flood elevation, by improving your garage your house may now be rated at a higher annual rate. (Please review the LFG section with your insurer - <http://www.nfipiservice.com/Stakeholder/pdf/bulletin/w-13045.pdf>)
