

# Basketball Fundraisers

March 15<sup>th</sup> was a big day of fundraising for both of the VHS basketball programs. The boys and girls worked together to host a Ford Test Drive. Brand new vehicles from Doherty Ford in Forest Grove were available for the community to test drive; Ford Motor Company donated \$20 to the basketball program for each ride. While you took your test drive, basketball players washed your car for free. At lunch time, volunteers fired up the grill and sold hot dogs and hamburgers. The day ended with the annual Alumni Games, with the girls varsity taking on a team of alumni and friends. Two men's alumni teams also faced off. The night concluded with another team of men's alumni (that included boys varsity head coach David Weller, his brothers Craig and Jason and JV coach Byron Schorzman) challenged the boys varsity. The event raised \$2060 from Ford and over \$1000 from the Alumni basketball games.

## PTA PRESS EXTRA!! EXTRA!! READ ALL ABOUT IT

Spring has finally sprung and our kid's and youth activities are keeping everyone as busy as ever. Vernonia Community PTA has been a part of many and in the spirit of keeping you up to date, here is a little run-down on what's been happening.

Many families attended family reading night as well as enjoyed a school lunch with their kids as a part of "Take your family to school week". This was a fun way to get families together in the schools and we have plans to make next year's event even bigger and better.

The next PTA meeting will be Thursday, March 20th, 7:00 PM. Please join us to sign up for committee positions for the fall carnival to be held next September. With good planning it can be bigger and better than ever! Your involvement (and your student's) will be crucial to making this an ongoing community event for

families to enjoy. We will be planning for the upcoming community wide Easter Egg Hunt, helping with VES Run For the Arts, volunteer week April 21-25 which will kick off our new classroom helpers program and our involvement in potential activities related to National Library Month.

Melissa Zavales and Makayla Adams will attend the "Our Children Are Our Future" Oregon PTA Conference April 4th and 5th in order to receive valuable training and materials to improve our local PTA. Thank you to them for donating their valuable time and energy to this.

Please remember to join the Vernonia Community PTA page on Facebook as well as utilize our PTA information on the Vernonia School District web site, [www.vernonia.k12.or.us](http://www.vernonia.k12.or.us) Please get involved, please stay informed, please join us in trying to make our schools great for all!

## Bighorn Logging

since 1981

**Contract Logging  
503-324-2422**

**Free Estimates  
Timber Purchases  
Timber Management**

**Oregon Professional Logger certified since 1996**
