"Simon"

You really need to stop in and see me! My name is Simon and I am as sweet as can be. I came to the shelter as a stray, so my people family here really don't know much about my past. I am a sweet little guy, however I am a little older. I would love to go to a home where I am going to be the king of the castle. I am very adorable and I love my toys. What do you think... do have room in your home for me today? You can find me at Columbia Humane in St. Helens. Come visit me today or call for more information. You can also visit my people's website...I am waiting!!!
