Help with Groceries

Oregon Food Bank received increased USDA-TEFAP Eligibility guidelines which allow more help for households with groceries. The new gross income guideline for a one-person household is \$1,799 with \$626 for each additional member.

Vernonia Cares Food Bank (VCFB), located at 627 Adams Avenue, is open Tuesday and Thursday from 10:00 AM until 2:00 PM. Any questions may be answered by calling the food bank's

phone, 503-429-1414. If not open, leave a message and your call will be returned as soon as possible.

Registration requires about ten minutes, as clients present proof of address and list how many people are in their household. They sign a document stating they fall within the target income eligibility guidelines. The goal of VCFB is to provide, on a monthly basis, three days' worth of emergency groceries.
