VERNONIA VETERINARY CLINIC

is pleased to welcome a new vet to our office!

Meet Dr. Elizabeth Burns, D.V.M.

Dr. Burns specializes in small animals but says she also likes working with sheep and goats as well as pocket pets like hamsters, gerbils and other small rodents and reptiles. Dr. Burns, who grew up in Bend, is a graduate of Oregon State University where she received a Bachelor Degree from the Animal Sciences Department and her Doctorate in Veterinary Medicine. She has been working for the last five years in Chehalis, WA. "I wanted to work more with mixed animals and I can do that here," says Dr. Burns. Please join Vernonia's Voice in welcoming Dr. Elizabeth Burns to Vernonia.
