Commuters, our County loses
\$54 million a year
in retail and services purchased outside our County.

Support your local community and County by
thinking before you spend.

With 75% of our workforce "wage earners"
leaving our County for work every day,
we need your help
to think before you spend.

**A Message
from the Judge:**

Dear friends and fellow citizens
of Columbia County,

I am honored to serve as one of your
Circuit Court Judges. I take the
responsibility of my position very
seriously.

I bring to the position years of hard work. As a single parent,
I worked my way through college and law school while employed
as a full time waitress. For 17 years, I worked as a trial lawyer for
people who could not afford to hire an attorney.

Over the past year as your judge, I have continued to work hard
overseeing all types of cases while attending close to one hundred
hours in judicial training.

I fully support the reopening of the courthouse to the public on
Fridays. I understand the inconvenience the closure has created.
I am also working toward setting up a Veteran's court that will
demand all parties take into account a veteran's circumstances
and health while he/she is involved with the Court.

I am seeking your vote in November so I can continue to serve you.
I firmly believe in equal access to justice for all citizens, and
promise to be fair and uphold your Constitution rights.

Sincerely,
Judge Jean Martwick
