Libra (September 23 - October 22)

You have a lot of ideas floating around in your head. Meditation may help calm your mind and clear out the clutter. New and interesting friends will be entering your life. One may be very important and become life altering. An idea you have may be worthwhile to a new friend, and become cash in the bank. Get Some Rest! It may be time to remove technologies from the bedroom.

Scorpio (October 23 - November 21)

Make repairs to your home before bad weather sets in. This will save you big money in the long run. Avoid property investments at this time. It is not advised and will become a burden in the future. Gentle exercise is important to your health. Your body is feeling the strain from your hectic lifestyle. Quiet walks will go a long ways toward good health.

Sagittarius (November 22 - December 21)

You could end up in the public eye this month. Your passion and strong sense of community will guide you. There will not be a lot of focus on work or home. You have done

Your Horoscope for October 2014

much and want to step out of your comfort zone. Your home base will still be there for you. Mid-month you may not be invited to a celebration. Brush it off, someone is a bit jealous and will come around later on.

Capricorn (December 22 - January 19)

You have many social plans and enjoy being active. Make sure you enjoy the activities that are on your social calendar. If you have been working hard, you may receive some kind of award or recognition. Are your knees bothering you? Get the right shoes and some Omega 3. Stay warm while you exercise. There may be a new stress at home.

Aquarius (January 20 - February 18)

You really need to look out for yourself this month. You aren't normally accident prone, but October could be difficult. Eliminate risk and take it as easy as possible. You have over done it a bit this summer. Clean out the garden and get some fresh air. Look after your finances and don't deplete your bank account. Someone may be interested in buying your property.

Pisces (February 19 - March 20)

Are you going on a trip? This may be a new experience for you. Have a great time but don't pack your best valuables. You are at risk of losing part of your luggage. You have a busy month and the energy to handle it. The Stars have much in store for you! Are you planning a new business? Keep your ideas to yourself until you are ready, and then

Go For It! Keep a watchful eye on your children's health.

Aries (March 21 - April 19)

Very exciting projects are coming your way this month. This is a great period of energy and you will be busy. Try to go slow for the 1st half of the month because the 2nd half will be even busier, and you don't want to burn yourself out. You will need your finances for an opportunity that is likely to present itself near the end of the month. Be kind to your body with rest and good food.

Taurus (April 20 - May 20)

Time for you to relax and re-introduce the word NO into your vocabulary. Get outside and be in your own space. You have dealt with a lot the last few months, now release the load. A past acquaintance may come back into your life. Look carefully at their reasoning. You have done well, stand tall and be proud of yourself and all you have overcome.

Gemini (May 21 - June 20)

Your friends will want to visit you this month. Pay attention to the 1st of the month in case you have forgotten something. Don't be tempted into 'not so great' of an investment. You worked hard for your money, hang on to it. Your car may need serviced this month. There is a huge possibility that it could be a threat to your health. Take care of it now.

Cancer (June 21 - July 22)

Have the people in your life been taking a back seat? It is time to work on this. Just

spending time with them will show you care. Avoid impulse buys. Finances still need to be managed. At work, stick to your guns and stand up for yourself. It isn't all about you. Love all that you have and even more important, appreciate it!

Leo (July 23 - August 22)

You are positive and it is seeping into those around you. You are a people magnet and currently could solve the World's problems. If you are married, plan a romantic get-away. If you are single there may be a proposal in the air. Exercise is important to keep your health and energy levels up and the joints of your body moving. This is a great month for you.

Virgo (August 23 - September 22)

There maybe some strains in your relationships this month. Be proactive in sorting these things out. Accept that people aren't perfect. If you can accept people's slight imperfections, they will love you all the more for it. Be prepared for some unexpected bills. Service mechanical things before they completely break down. Feed your body good food.
