

Your Horoscope for January 2015

perspective of the world in general in 2015. Maintain close relationships with friends and family for support. Allow for some solitude in your life.

Gemini (May 21 – June 20) Things are looking up for you. Your money troubles are all but a memory. Exciting business opportunities practically fall into your lap. Your horizons continue to grow and expand this year. Do not let others distract you from staying on your path. Let go of any past grudges and start anew.

Cancer (June 21 – July 22) 2015 is a year with a few challenges. Your confidence strengthens and grows as you tackle all issues coming your way. You rediscover your dreams and stop taking life so seriously. You are capable of much more than you previously thought. You stop taking your health for granted.

Leo (July 23 – Aug. 22) This is the year when all your hard work will pay off. Don't underestimate yourself, you have a big heart and are most generous with those around you. Your words go a long way with a family member in crisis. Beware of those looking to take advantage of your kindness and generosity.

Virgo (Aug. 23 – Sept. 22) Your calm demeanor will be tested this year. Virgo is known for collecting all the facts and thinking things through. Brush up on your meditation, anger

management and your uncanny ability to reason. You're going to need them. In the area of finance, everything looks positive. Cupid favors you this year, but not without a few challenges along the way.

Libra (Sept. 23 – Oct. 22) This year presents both rewards and challenges. Your indecisive nature can be a problem, so buckle down and take a stand. Your ability to be accommodating and diplomatic comes in handy in the following months. Find your inner artist and free your mind. Your career flourishes in 2015, but not without effort on your part.

Scorpio (Oct. 23 – Nov. 21) An opportunity you've been carefully preparing for will finally show itself

later in the year. Stay on your toes though, as it doesn't present itself in the normal fashion. Your confidence improves as you finally receive the recognition you've worked so hard for in your career.

Sagittarius (Nov. 22 – Dec. 21) This year will be easy and enjoyable. The last few years have been a test of strength, character and perseverance for you and you have more than proven yourself. You are in the midst of remodeling what is your life. By mid-summer, partnerships in particular, will be easier for the Sagittarius. In the coming year, finances will greatly improve, as will your chances for true love.

2015 will be both challenging and rewarding. If you stand up and meet it, you will beat it.

Capricorn (Dec. 22 – Jan. 19) You will continue to amaze in 2015. You will gain new respect from your colleagues and loved ones. Jealousy will not be a factor due to the fact that you are just too likeable. Your finances only get better. Relax and enjoy the fruits of your labor. You have earned it. You climb the corporate ladder at a fast pace in the coming year.

Aquarius (Jan. 20 – Feb. 18) Things will rarely be dull. Learning how to manage life's twist and turns can not only make your life easier, it can help you gain the admiration of others. Give in to your creative side. It will serve you well all year. Health issues benefit from a more holistic approach. An emotional connection is needed for your partnership to survive.

Pisces (Feb. 19 – March 20) This will be a year of change and growth. Motivation and adaptation will be a running theme. Get ready to go in new directions. New opportunities await you, if you are willing to bend a little. Trust your gut, your perceptions are correct. You are also very sympathetic and compassionate, so don't let others exploit these qualities that you possess.

Aries (March 21 – April 19) Professional issues dominate over family and domestic concerns this month. There is a need for Aries to find equilibrium between your personal ambitions and aspirations of others. January 2015 is auspicious for beginning new projects and finishing old. Feel free to create and focus on your heart's desire.

Taurus (April 20 – May 20) You were stumped by the latest gadgets, you'll find technology friendlier this year. You may even be surprised at your welcoming of new information, as you gain a new
