

# In Memory of...

## Guy Leigh Williams

Guy Leigh Williams was born in Rochester, NY on May 23, 1946 to parents Pardon and Gloria (Swaim) Williams. Guy was second of 8 siblings and lived in Garbutt upper state NY and graduate of Wheatland Chili Central High School, trade school, US Navy Submarine in engineering, and Rochester Institute of Tech (RIT), graduate as EE Engineering BSEE, auto mechanic, driver and gear head of a rail-dragster with Alan Rathmacher.

Soon after moving to Oregon in 1978 he worked at Tektronix and other Electronic Design firms as Principal Engineer in Polyvision, Softboard, RLX and recently at Intel as part of a design team.

He remarried in 1984 to Joy Williams and had also become a dedicated Christian, ministering, Sunday

School teacher, worship leader, assistant pastor and youth assistant. He served as a Royal Ranger Commander/Leader and worship leader for boys with Christ and FCF fellowship training, worship and Bible drama teams for 30 years. In addition he was part of a few Mission trips for Central America, Africa, Japan and a prayer team with our church with a Native Reservation in California.

Guy and Joy have been ministering together, playing and dancing a happy journey 33 years and to "run the good race" as "good and faithful servants."

Guy was a Mazamas climber, very good downhill skier and loved the mountains here, an avid white water canoeist, enjoyed family camping, fly fishing, croquette and golf with Joy, family and associates. He wasn't just active in church but also penned a few worship songs that we all loved. Guy was focused on his Faith walk for the Lord with others and very family oriented.

Guy also traveled some over the years for work projects to several areas in the US and Asia.

Guy was still working, then finished treatment for a tumor and started recovery, when months later he had complications with pneumonia and passed on peaceful and quietly into heaven for eternity as though asleep.

Surviving is Guy's wife Joy Williams, son Kermit and his wife Misha

Nagode, grandchildren Kiel, Myli, and Kyli, also 2nd boy Joshua Tooley who lived with us, father in-law Kermit Fisher. Surviving siblings Shelly, Mike, Jim, Nicholas (Nic), Polly, and Jessie, their spouses, nieces, nephews, and great nephews.

Guy's main goal with Joy was to touch others with the love and truth in Jesus Christ forever. We will remember Guy as a happy and loving man for others and ready to help someone. He will be missed greatly by those who loved and knew him as a loving and Godly Man.

Services will be held at the Life Church, 5585 SW 209th Ave. Aloha, OR on Saturday, February 21st at 1:00 PM.

Consider a Donation to St. Vincent Hospital Oncology, Joy Williams, or flowers as you wish. To leave online condolences, visit [www.macyandson.com](http://www.macyandson.com).

## Leonard Andrew Arlint II

August 27, 1950 - February 12, 2015 Our dad passed away in his sleep last Thursday.

Peacefully dreaming an awesome dream! We miss you, Poppy!

# SAFE of Columbia County to Offer Training for Volunteers

SAFE of Columbia County will offer its basic advocacy training for new volunteer advocates beginning on February 17, 2015. Classes will be held

on Tuesdays from 6-8 pm and Saturdays from 10 am - 5 pm from February 17 through March 28.

Volunteers are needed to answer a 24 Hour Domestic and Sexual Violence Help Line. In 2014, the Help Line received 1,294 calls. Volunteers support the work of SAFE's advocacy program by answering the 24 hour help line from their own homes after business hours and on weekends. These volunteers are often the first line of support survivors of violence have and carry out SAFE's mission, to empower our community to live safe and healthy lives, free from abuse.

The basic advocacy training gives volunteers the knowledge they need in order to provide victims of domestic violence, sexual assault, and stalking with confidential peer support, safety planning, and referrals to local community resources.

For more information about the training, contact Naaman Cordova-Muenzberg, Executive Director of SAFE, at 503-397-7110 ext. 11.
