**R&S MARKET**

The Staff at R&S Market would like to thank our customers for being so patient through our transition of our upgraded front end (Cash Register System). With this upgrade we will be able to transition from the old paper check "WIC Program" to the new "E-WIC" electronic benefits cards. In addition we added "Tele-Check" which treats your paper check just like a Debit Card. Once we have mastered our new Cash Register System, we will be expanding our Social Media Advertising, with weekly specials available only to our signed up E-mail customers. Fun things to come!!

Once again thank you for your patience and we look forward to serving you in an expanded capacity.

*Randy & Sharon  
and The Staff of R&S Market*
