

## Things to Ponder: Is There Any Hope?

By Grant Williams

This world we live in keeps getting crazier every day. There is so much turmoil all around us it's a miracle any

of us are able to live a "normal" life. Of course a normal life looks different for each individual and it is only by God's grace that any of us are able to enjoy some semblance of peace.

For me this dilemma raises some huge questions. Why are so many people unhappy? And even more importantly, why are so many people who claim to be Christians unhappy and suffer from depression?

Sometimes there are medical explanations for the situations we face. For instance, in a time of crisis or fear our body produces adrenalin that gives us super energy. Is it possible that when we get depressed it is because of a chemical our body produces that alters our ability to think clearly and feel healthy emotions resulting in negative affects? In simple terms, isn't depression the absence of peace?

The Apostle Paul seems to address this problem in his epistle to the Philippians in the 4<sup>th</sup> chapter, verses 4-7, "Rejoice in the Lord always; again I will say rejoice! Let your forbearing spirit be known to all men. The Lord is near. Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension, shall guard your hearts and your minds in Christ Jesus."

There is no doubt in my mind some people will question my line of reasoning. But can you imagine how wonderful it would be for those suffer- there and He cares!

ing from depression if the solution was this simple?

It is not just an accident or coincidence the Holy Spirit instructed Paul to write these words in his letter. The Bible has much to offer us in practical information that goes beyond salvation and gives us real answers to life problems.

Paul says more in Philippians 4:8-9, "Finally, brethren, whatever is true, whatever is honorable, whatever is right, whatever is lovely, whatever is of good repute, if there is any excellence and if anything worthy of praise, let your mind dwell on these things. The things you have learned and received and heard and seen in me, practice these things; and the God of peace shall be with you."

What Paul is communicating in these verses is the way we think affects our wellbeing. The absence of peace in a person's life is relevant to what they dwell on. Remember the old adage, "you are what you eat?" It is equally true that your outlook (emotional wellbeing) is directly related to your mindset.

Being anxious uncertainty. Paul is telling us prayer and trusting God will bring peace to our storm. Don't focus on your problems but on the One who promises comfort. Even though you cannot see Him, He is

"We need to capture some of the lost sales related to having an extraordinarily high percentage of workers living in Columbia County and working outside the County," said CCET Executive Director Chuck Daughtry. "We are losing almost \$200 million in annual per capita sales. This is money that should support local businesses and local jobs."
