

Your Horoscope for April 2016

The love-related hurdles aren't long-lasting, but it can be irritating and might affect you financially. Financial matters are a hot topic so weigh your opportunities with great care! You feel freer, younger and have an easier time adapting to new things.

Gemini (May 21-June 20) The Saturn-Mars combo is unfavorable for harmony between partners. Couples could face trouble that comes from the outside or struggle with joint responsibilities. Friends, protectors, and an entourage can be helpful. Keep being very, VERY diplomatic and try to always look on the bright side of things!

Cancer (June 21-July 22) You must accept things as they are, you can't

change them. Your love life is tied to work and influenced by responsibilities. You do what you have to more than what you want. Set your priorities straight, don't take on more than you have to, and plan your schedule well! This is a very good time to get out and exercise the stress away.

Leo (July 23-Aug. 22) Preoccupations related to kids or an eventual pregnancy seem to be topics of interest in Leos' love life. Beware of passions that can get you in trouble. You can gain a lot through your profession, but speculations and money not-worked-for trigger bad luck. Unpleasantness is not out of the question, or even incidents on the field or the hike trail.

Virgo (Aug. 23-Sept 22) During April (and also the next month, most likely) a particular relationship-related discomfort could have to do with home, property, parents or family in general. You could enjoy material benefits or extra earnings. Invest in long-term

goods. During the first two weeks of April you tend to worry about all kinds of things. You need to relax.

Libra (Sept 23-Oct. 22) Everything could seem perfect – and things could be really good, up to a point. Mars is retrograde beginning April 17, messing things up and bringing up older issues. A lot hinges on the way you communicate and manage to negotiate, in the end. Here there's always room for improvement, it takes patience, finesse, and know-how. Take things lightly, try to see the fun part!

Scorpio (Oct. 23-Nov. 21) Couple communication is essential. Some topics will be turned on all sides, other old topics will be brought up again, even sensitive topics will be approached. Words have to be skillfully wielded. Venus makes your work more pleasant, your tasks easier to fulfill, your work relations more agreeable. Be prudent when spending and don't

**ELECT JOEL YARBOR
COUNTY COMMISSIONER**

Like the first time I ran for County Commissioner, I feel our County is in trouble and going in the wrong direction. I'm running for my family and yours to ensure our kids and grandkids have a future in Columbia County, where they can work, live and raise a family like I have been blessed.

- * I have a proven track record in creating jobs and business driven tax revenues
- * Being a Veteran, I will diligently work to support the Veteran's of our County
- * I have the experience during hard times, balancing the County's budget 4 years in a row
- * I fought to keep taxes low while maintaining essential services
- * I worked to streamline the permitting process before and will do so again
- * Experienced and ready to start working for you Day One

- * I will work to keep the County doors open 5 days a week, if the County is not open for business how can we attract businesses.
- * I'll create a path, like many cities have, to create a mother-in-law housing ordinance and expand it to a family ordinance to help relieve our housing shortage
- * I'll work with public transportation to ensure we have necessary transportation for Veterans to the Veterans Hospital without raising taxes
- * I'll work hard every day to ensure your tax dollars are spent wisely and to the benefit of all our residents
- * I'll work to improve safety on Highway 30

My priority will be creating jobs and tax revenues from businesses. Working with the Port and the Building Department to ensure any potential business finds our County open for business and eager to help them succeed in starting or relocating in Columbia County
