I read this on Facebook
so it must be true!
"R&S Market doesn't
have a good wine selection."

So, in an effort to upgrade
our selection, we have been
stocking more Northwest
brands and less duplication
of varietals from California.

We would love to bring in
more Northwest wines, just
let us know what you want
and we'll do our best to get
them for you!

Thank you,
R&S Market
