

Vernonia City News...

At the June 5, 2017 City Council meeting:

Council Adopts 2017-18 Budget – Following a Public Hearing at which there was no public testimony, the Council voted to approve Resolution 04-17 and adopt the Fiscal Year 2017-18 budget.

Topics From the Floor—Richard Meyer, Vice President of the Ridge Riders, had questions about the procedures and costs associated with restoring water service to the horse arena area. City Administrator Josette Mitchell suggested that Council consider a reduced fee at their next meeting on June 19.

City Recorder Stephanie Borst read a letter into the record from James Collins, asking that the \$35 water reconnect fee be waived due to unfortunate circumstances. Council asked staff to place the issue on the next meeting's agenda.

Leslie Siebert wanted to make the City aware of a dangerous situation, telling the Council that the wooden bridge over Rock Creek on the Linear Trail near Anderson Park is extremely

slippery when wet, which resulted in her son being seriously injured in a bicycle accident last Christmas. Siebert requested the City take action to make the bridge safer.

Richard Stein asked the City to hold a public meeting to discuss plans for replacing trees in the downtown corridor.

Council Approves Several Library Items – Library Director Shannon Romtvedt brought several items to the Council. Council approved a revised computer and internet use policy, which clarifies patrons' agreements to terms of use and limits use to one hour per day. Council approved plans for the expanded Food for Fines program, which will make use of grant funds to allow patrons to pay for damaged and lost materials. The Council also approved Resolution 03-17, declaring certain property surplus and authoring the sale of the property.

Police Report – Police Chief Mike Conner told Council his department is not working on any significant cases, but did congratulate Officer Cody

Pesio and his wife on the birth of their first child.

Council Approved Amended Master Fee Schedule – Council approved Resolution 15-17 to Amend the Master Fee Schedule. The changes include adjustments to the water rates previously approved by Council that include increasing the base water rate from \$24.50 to \$29.30, reducing the Loan Repayment Fee from \$11.50 to \$9.50, and reducing the consumption charge from \$4.25/1,000 gallons to \$3.00/1,000 gallons. Council approved the changes unanimously with Councilor Bruce McNair voting "yes" but expressing his disagreement with Council's decision on how excess fees collected by the City for repayment of the Loan are being returned to the ratepayers. The revised Master Fee Schedule also included the

addition of the sale of Urn Plots at the cemetery.

Councilor Commends Staff for Cemetery Work – Councilor Bruce McNair commended staff, the Cemetery Committee and the Council for the work they have done to improve conditions at the Memorial Cemetery.

City Administrator Report – City Administrator Josette Mitchell updated the Council on several current projects she is monitoring, including the upgrades at the Waste Water Treatment Plant, the Rose Avenue Project, Nickerson Ridge Estates, and Bear Creek issues. She told the Council that construction of the picnic shelter at Spencer Park should be completed in the next few months.
