

# Kendra's New Heart

About 100 people turned out to show their love, and support a fundraiser, for Kendra Stefan, a senior at Vernonia High School, who received a much needed heart transplant this summer in Seattle. The fundraiser was held on September 15 at the Cabin in Vernonia and featured a potluck dinner and dessert table, raffles, silent auctions, and music by Sara McMahan. Kendra has lived with a serious heart defect since birth, has undergone numerous heart surgeries, and had been living with a failing pacemaker, all while attending school and staying on track to gradu-

ate from VHS this coming spring. Now, with a new heart, it looks like Kendra's plans to attend Portland State University next fall will become a reality. The fundraiser will help Kendra and her aunt Heather Lewis with expenses while they spend three to six months in Seattle to stay near her doctors so her new heart and medications can be monitored. We love you Kendra! Donations to help Kendra can be mailed to Kendra Stefan, c/o Vernonia's Voice, PO Box 55, Vernonia, OR 97064.
