JOIN THE MOVEMENT & SAVE A LIFE

The film highlights the journey of Kevin Hines, who at age 19, attempted to take his life by jumping from the Golden Gate Bridge. Today Kevin is a world-renowned mental health advocate, motivational speaker and author who travels the globe spreading a message of hope, recovery and wellness.

The film focuses how mental health or “brain pain,” and the lack of understanding can have on the ripple effect on an individual, their family and community. The film highlights the stories of individuals and families who are utilizing their personal tragedy to bring hope and healing to others.
