

Stub Stewart to Screen *Wrath of Khan*, Host Star Party

Star Trek 2: The Wrath of Khan will screen outdoors at L.L. Stub Stewart State Park, at the park's beautiful Hilltop location Saturday, July 13, 9:00 pm. The film will be followed by a star-viewing party hosted by Rose City Astronomers. Signs will be posted in the park to direct attendees to the movie's location. The screening is free, no ticket required! Movie begins at dusk.

Since 2016, the Hollywood Theatre has partnered with the Oregon

State Parks Department to produce a series of screenings in Oregon State Parks. All parks in the series are within an hour's drive of Portland, with the film programming selected to complement the diverse features of each park. This series encourages Oregonians to explore the amazing recreational amenities our parks have to offer, including hiking, mountain biking, horseback riding, kayaking, camping, picnicking and more.

Purr-fect Pals

Meet Ampola! This 15 week old kitten is just ready and waiting for her new forever home. This little girl is very talkative and likes to voice her opinion about everything including the fact that she doesn't always get wet food. She can be shy when she is first meeting new people but given a little time to settle in she is just fine. Her adoption fee includes current vaccines, worm and flea treatment, spay, and microchip.

Featured Dog

Meet Darla! She is about a year old, and has the energy to prove it. This spunky little girl is sure to bring a smile to your face no matter what the day brings you. Imagine coming home every night to this little girl - happy, goofy, and ready for loves. She likes playing with other dogs, but we have no idea of her history with cats. We think that, due to her energy, she is probably going to do best in a home with kids that are at least 10 years old. She loves to play and chase her toys and loves to have all the appropriate things to chew on.

If you are interested in meeting Darla please email animalwelfare@columbiahumane.org and we would love to answer any questions you have, send out an application for adoption, and then schedule a time for you to come in and meet this lovely little lady.
